Dave,

Chief Enforcement Officer would be by the Director of Enforcement. That is not a political position but career. I only get a couple of political appointments which would be Chief of Staff, Senior Policy Advisor, Counsel to the Administrator. I believe I am maxed out at this point but I will check with HQ to see where we stand. And please give Ken my best.

Best regards,
Michael Stoker

Subject: Resume for Chief Enforcement Officer Region IX Candidate

Administrator Stoker,

Ken asked that I send along the attached resume. We do not know Mr. Baqui well enough to recommend him without hesitation, but people we trust who were regulated by him during his time on the CA Regional Water Quality Control Board say he is fair and understands the proper role of a regulator.

If you could have your team give his resume a look, that would be great. He is very interested in helping you and your office, particularly as Chief Enforcement Officer.

Thanks,
Dave Kennett
Chief of Staff for Rep. Ken Calvert
